**FSL Group, Inc. Announces Steve Kitterman as Chief Operating Officer**

**Georgia – January 19, 2010** - FSL Group, Inc., a leading consulting and management services firm, is pleased to announce the appointment of Mr. Steve Kitterman, as Chief Operating Officer. Mr. Kitterman, formerly of Consolidated Freightways, Billings Freight Systems and Aero Logistics, brings to FSL a strong track record of successful growth in leading transportation and logistics companies. He is expected to build upon FSL's strong history and lead the company's future expansion.

Katherine Crowley, the FSL Group Founder and CEO, said, "We are happy that Steve is joining FSL. He has an incredible vision for taking transportation and logistics to the next level and I am looking forward to making that vision a reality. The expertise and talent in this company is amazing, and collectively we will all work together to help make our clients and partners even more successful."

Mr. Kitterman commented, "I am very pleased to have the opportunity to join FSL. It is a leading company in its niche with a strong product line. Katherine Crowley and her team have built a great company, and I am excited about the opportunity to lead its growth in the years ahead."
